

About FreshBooks

Since launching in May 2004 from Mike's parents' basement, FreshBooks has helped more than 5 million people send and receive, print and pay invoices. Today, FreshBooks is the #1 cloud accounting solution designed for small business owners. Based in Toronto, Mike and his dedicated team pride themselves on executing extraordinary experiences every day for businesses. If this sounds good, go to FreshBooks.com and [try it for free.](#)
